

## Yikes! Those Stripes.®

Debby Kratovil

3 or 6 Hour Class

Sewing Machine Class. Great for beginners!

The Original Yikes!  
Sewn with Kaffe Fassett Fabrics

My Big Top Circus Yikes!  
Sewn with Lake House fabrics

The Double Hourglass block does double-duty with fantastic striped fabric. This is also fun using any florals, geometrics and a wide host of colors. The secret is in the strip size and a ruler! Bringing precut strips to class, ready for sewing, will ensure most blocks for a lap-sized quilt be sewn in just a few hours. We use LONG quarters of fabric (not fat quarter friendly).
